Mr. Domenic Stencywitch

Dear Mr. Stencywitch:

In Mr. Dulles' absence from the country, I am acknowledging your letter of October 26.

We regret that we are unable to support your application for employment by a private organization, as you suggest in your letter. However, we have consulted an officer of the Church World Service and find them entirely sympathetic to your situation. We are informed that Mrs. Anne Arch will get in touch with you to discuss ways and means to improve the situation in which you find yourself. If necessary, you can reach her in care of Church World Service, 575 Riverside Drive, New York City.

We sincerely hope this worthy organization can assist you as we know it has others of similar experience and background who have found themselves in distressing circumstances.

Sincerely,

[Signature]
